

# PLEASE! PLEASE! PLEASE! TAKE A LOOK AND HELP US OUT!

The following is a list of names we have accumulated to date for the Ackley Veterans Memorial. We have listed the names under the war heading pertaining to the veteran's dates of service, which is how they will appear on the memorial.

We would appreciate it very much if EVERYONE would read through the names and check to see if any corrections need to be made.

This list will be going to the monument company very soon so they can begin the printing process. Corrections to spelling must be made before we submit the list or the names will go on as printed in this article.

The names listed have come from many different sources. If you see a name listed in error, or if you know of a name that should be included on the memorial, it is very important to call and let us know at once.

Any additions or corrections to this list must be made by April 23, 2008. After that time allowance, the list will be turned over to the monument company. Any additions after we submit the list will incur a charge of \$200.00.

The dedication date is set for September 7, 2008. There is still time to make a tax deductible donation!

The following is a list of phone numbers to call with your corrections: Deb Swanson 847-2969; Doug/Till Woodley 847-2661; Trent DeBerg 847-2566; Jim Wessels 847-2472; Teresa Krull 847-2208; Doug Boheman 847-3432; Louie Feikes 847-3040.
